Introduction

This transfer program gives Fletcher Technical Community College (Fletcher) students the opportunity to take courses that simultaneously satisfy requirements for Fletcher's Associate of General Studies degree and a baccalaureate program at Nicholls State University. The program guides in this document will assist both advisors and students with the selection of approximately 60 credit hours of courses that apply to both degrees. You will notice that most programs require Fletcher students to cross enroll at Nicholls. Students may cross enroll in up to six hours each semester. It should be noted that once the A.G.S. degree is completed, the hours remaining to earn a bachelor's degree may require more than four semesters of enrollment at Nicholls. Also, for some programs listed in this handbook, additional semesters may be required to complete course work.

The table below identifies Nicholls 2021-2022 academic programs and the number of credit hours for which Fletcher students must cross enroll. Students may be required to take from 0 to 24 hours through cross enrollment depending upon the program. Note that some guides list courses necessary to satisfy A.G.S. requirements that do not apply to the associated baccalaureate program. Also, some baccalaureate programs require more than 120 credit hours. For those programs, more than 60 hours will be required to complete a bachelor's degree.

†More than 60 hours may be needed to complete baccalaureate degree requirements after completing the 60-hour A.G.S. degree.

Application Process

Students wishing to participate in this program should complete the Intent to Participate Form (IPF) ([Appendix A](#)). The IPF must be submitted to the Nicholls Office of Admissions by a Fletcher advisor.

Graduation under a Specific Catalog

Nicholls State University policy allows a student seven years to graduate under the *Nicholls Catalog* in effect at the time of initial enrollment at Nicholls, even though the student has made a change in curriculum or has had a break in college attendance. Fletcher students participating in the A.G.S. program have the same opportunity to graduate under a specific catalog. Students signing and submitting the IPF from this advising guide are declaring the intent to graduate under the *2021-2022 Nicholls Catalog*.

Within the seven year period, students may change to another *Catalog* by completing the IPF from the advising guide in effect at the time. Students unable to complete a degree program within seven years after signing the IPF are expected to follow the *Catalog* in effect during their eighth year of attendance (or the *Catalog* in effect the year of graduation). The IPF must be submitted to the Nicholls Office of Admissions.

Information regarding cross enrollment is provided in ([Appendix B](#)). Students must follow all cross-enrollment policies and procedures. Applications must be completed each semester of participation in cross enrollment.

When transferring to Nicholls, students must complete an application for admission and submit all necessary fees, transcripts, and other documents as required by the university.

Understanding Program Guides

The subsequent pages contain advising guides for the various programs offered through this agreement. Please note that the order in which courses are listed on the program guides is not necessarily the order in which courses should be taken. Advisors and students should consult the current Nicholls State University catalog (<http://www.nicholls.edu/catalog/>) for specific program entrance, grade, minor and course sequencing requirements.

Advisors and students should be aware of the following:

- All students planning to graduate from Nicholls with baccalaureate degrees must complete the general education requirements described below. Note that some programs specify the courses that are needed to meet those requirements. In those cases, the courses are listed on the guide. When given the option to select “Any *Gen Ed*” course(s), students should choose from the *Fletcher General Education Courses* list in [Appendix C](#). To satisfy general education requirements students must complete
 - six hours of English composition.
 - a minimum of six hours of non-developmental. Developmental mathematics courses will not apply to any four-year degree.
 - a minimum of nine hours of natural science courses including courses in both the biological and physical sciences. Six hours shall be earned in a single biological or physical science. Three hours must be earned in a natural science area other than that selected to fulfill the six-hour requirement. If a student completes six hours in the biological sciences, say BIOL 1010 and 1140, then the student’s third science course must be a physical science, for example, GEOL 1010. Please note that if a student completes six hours in the physical sciences, those six hours must be in the same science; for example, six hours of CHEM courses, six hours of GEOL courses, six hours of PHSC courses, etc.
 - a minimum of nine hours of humanities courses with no more than six hours from a single discipline. A student may not take only Skills courses to complete the combined Fine Arts and Humanities requirements. One Fine Arts or Humanities course must not be a Skills course.
 - a minimum of six hours of social sciences courses.
 - a minimum of three hours of fine arts courses. A student may not take only Skills courses to complete the combined Fine Arts and Humanities requirements. One Fine Arts or Humanities course must not be a Skills course.
- Each program requires completion of at least two hours of computer literacy and completion of the one credit hour UNIV 101 course. *Students transferring with 30 or more credit hours will not be required to take UNIV 101. However, the one hour usually earned by completing the course must be earned in some other way. For the programs with a 2-hour computer literacy requirement, Fletcher students may fulfill this requirement by completing CPTR 1100. The extra hour earned by taking CPTR 1100 will cover the one hour lost by not completing UNIV 101.*
- Free elective courses may be selected from any academic courses. Advisors and students should check the table of equivalent courses for transferable courses ([Appendix D](#)). Vocational/Technical courses are transferable to Nicholls, but degree applicability cannot be guaranteed.
- All courses listed in the program guides are three credits unless otherwise indicated. [e.g., MATH 165(5), BIOL 155(4), etc.]
- Some programs may require more than eight semesters to complete.

FLETCHER COURSES

NICHOLLS COURSES (CROSS ENROLLMENT)

English Composition (6 hrs)

English Comp I (3 hrs) ENGL 1010
English Comp II (3 hrs) ENGL 1020

Math/Analytical Reasoning (6 hrs)

College Algebra or Contemporary Math (3 hrs) MATH 1100 or 1170
Select one math elective (3 hrs) Any *Gen Ed* MATH course

Natural Sciences (9 hrs in both biological and physical with 6 hrs in the same science)

Select one or two biological sciences elective(s) (3-6 hrs) Any *Gen Ed* BIOL course(s)
Select one or two physical sciences elective(s) (3-6 hrs) Any *Gen Ed* CHEM, GEOL, or PHSC course(s)

Humanities (9 hrs)

Select one humanities elective (3 hrs) Any *Gen Ed* ENGL lit, FREN, HIST, PHIL, or SPAN course¹
Art History Surveys I and III (6 hrs) ARTS 2800, 2810

Social/Behavioral Sciences (6 hrs)

Select two social sciences electives (6 hrs) Any *Gen Ed* ANTH, CRJU, ECON, GEOG, PSYC, POLI, or SOCI courses²

Fine Arts (3 hrs)

Art History Survey II (3 hrs) ART 281

Other Courses (21 hrs)

Computer Literacy (3 hrs) CPTR 1100
Beginning Drawing (3 hrs) ARTS 2010³
Beginning Design (3 hrs) ARTS 2510³
Select 12 hrs of courses from the following
Color Design (3 hrs) ART 252
Beginning Painting (3 hrs) ART 211
Beginning Printmaking (3 hrs) ART 221
Beginning Ceramics (3 hrs) ART 231
Sculptural and 3-Dimensional Design (3 hrs) ART 240
Beginning Photography (3 hrs) ART 261

Total Hours: 60

Fletcher Hours: 45

Cross Enroll Hours: 15

¹Students following the Art Education (K-12) Concentration are required to take HIST 256 (2020).

²Students following the Art Education (K-12) Concentration are required to take PSYC 206 (2060) or 210 and PSYC 311.

³All studio courses require portfolio review for transfer.

Total Hours: 60

Fletcher Hours: 40

Cross Enroll Hours: 20

¹Students in the Professional or Biochemistry concentrations must take MATH 166(4). Students in the Pre-Pharmacy or Pre-Medical/Pre-Dental concentrations should take MATH 214 (MATH 2100) instead of MATH 166. In this case, the elective hours will increase from 9 to 10 and Cross-Enrollment Hours will decrease from 24 to 20. Please see the current Nicholls catalog for more information. A MATH course beyond MATH 165 is not required for the General Chemical Sciences Concentration.

²Students in the Biochemistry and Pre-Pharmacy Concentrations are required to take some of these courses at the upper level. Please see the current Nicholls catalog for more information.

³Hours needed to meet the AGS 60 hour minimum requirement. Some or all of these hours may not apply towards the Bachelor of Science degree.

⁴ Chemistry Education Concentrations should take EDUC 251 instead of CMPS 130.

NICHOLLS COURSES (CROSS ENROLLMENT)

English Composition (6 hrs)

English Comp I (3 hrs) ENGL 1010

English Comp II (3 hrs) ENGL 1020

Math/Analytical Reasoning (6 hrs)

College Algebra (3 hrs) MATH 1100

Introductory Statistics (3 hrs) MATH 2100

Natural Sciences (9 hrs, 6 hrs must be in the same physical science)

Select one biological science elective (3 hrs) Any *Gen Ed* BIOL course

Select two physical sciences electives (6 hrs) Any *Gen Ed* CHEM, GEOL, or PHSC courses

Humanities (9 hrs)

Select one English literature elective (3 hrs) Any *Gen Ed* ENGL lit course

Select one history electives (3 hrs) Any *Gen Ed* HIST courses

Select one humanities elective (3 hrs) Any *Gen Ed* ENGL lit, FREN, HIST, PHIL, or SPAN course

Social/Behavioral Sciences (6 hrs)

Select two social sciences electives (6 hrs) Any *Gen Ed* ANTH, CRJU, ECON, GEOG, PSYC, POLI, or SOCI courses

Fine Arts (3 hrs)

Select one fine arts elective (3 hrs) Any *Gen Ed* ARTS, MUSC, or THEA course

Other Courses (21 hrs)

Computer Literacy (3 hrs) CPTR 1100

Public Speaking (3 hrs) SPCH 1200

Petroleum Computational Methods (3 hrs) IPTN 1050

Oil Production (3 hrs) IPTN 1610

Government Regulatory Agencies (3 hrs) IPTN 1500

Well Drilling (3 hrs) PSET 171

Gas Production (3 hrs) PSET 231*

Total Hours: 60

Fletcher Hours: 54

Cross Enroll Hours: 6

*Students may earn 12 hours of PSET credit by taking Fletcher's IPTN courses numbered 1400, 1600, 2000, and 2200. To receive credit for these courses students must earn a grade of C or better in each course and score a 70% or better on a credit exam developed and administered by Nicholls. If successful, students will be given credit for PSET courses numbered 231, 301, 310, and 431.

Petroleum Services-Safety Management

¹Students are permitted to enroll into the Foundations Core Courses (EDUC 250, EDUC 251, PSYC 206, PSYC 210, and PSYC 220) when they have: 1) Earned a minimum of 30 semester hours applicable to the degree, including ENGL 1010 (C or better) and 1020 (C or better), three hours of non-developmental mathematics (C or better), three hours of science, and three hours of a social science. 2) Earned a minimum overall GPA of 2.5. 3) Completed an Application of Entry Form to the College of Education. 4) Completed a Verification of Eligibility Form. 5) Achieved passing scores on the *Praxis*® Core Academic Skills for Educators (CASE) tests: At least 156 on the reading test, at least 162 on the writing test, and at least a 150 on the mathematics test. Candidates are exempt from CASE tests if they have earned an ACT composite score of 22 or higher or a combined verbal and math SAT score of 1030 or higher. Students are encouraged to take CASE tests early in their academic careers. Students and advisors are encouraged to review Teacher Education Program requirements in the Nicholls catalog.

²Hours needed to meet the AGS 60 hour minimum requirement. Some or all of these hours may not apply towards the Bachelor of Science degree.

³The Bachelor of Science degree requires 124 credit hours. Students completing this AGS program will need 64 additional credit hours to complete bachelor's degree requirements.

<i>Intro to Tech Integration for Teachers (3 hrs)</i>		EDUC 251*
Total Hours: 60	Fletcher Hours: 36	Cross Enroll Hours: 24

*Students are permitted to enroll into the Foundations Core Courses (EDUC 250, EDUC 251, PSYC 206, PSYC 210, and PSYC 220) when they have: 1) Earned a minimum of 30 semester hours applicable to the degree, including ENGL 1010 (C or better) and 1020 (C or better), three hours of non-developmental mathematics (C or better), three hours of science, and three hours of a social science. 2) Earned a minimum overall GPA of 2.5. 3) Completed an Application of Entry Form to the College of Education. 4) Completed a Verification of Eligibility Form. 5) Achieved passing scores on the *Praxis*® Core Academic Skills for Educators (CASE) tests: At least 156 on the reading test, at least 162 on the writing test, and at least a 150 on the mathematics test. Candidates are exempt from CASE tests if they have earned an ACT composite score of 22 or higher or a combined verbal and math SAT score of 1030 or higher. Students are encouraged to take CASE tests early in their academic careers. Students and advisors are encouraged to review Teacher Education Program requirements in the Nicholls catalog.

²Hours needed to meet the AGS 60 hour minimum requirement. Some or all of these hours may not apply towards the Bachelor of Science degree.

Secondary Education: Grades 6 – 12 General Science Concentration

Important: Please read [Understanding Program Guides](#) on page 5 before selecting courses.

PROGRAM INFORMATION

Beginning semester at Fletcher: Fall Spring Summer Year: _____

Declared Major: _____

Nicholls catalog under which I intend to graduate: _____ 2021-2022 _____

I understand that by signing this statement of intent, the Nicholls degree program requirements I must satisfy to complete my degree will be those in the catalog under which I intend to graduate from Nicholls as indicated above. I also understand that I must complete the curriculum within seven (7) years. If I fail to meet any of these requirements, I will be subject to the curriculum requirements in the Nicholls catalog during the eighth year of enrollment or the catalog in effect the year of graduation.

The information submitted on this application is true to the best of my knowledge. I understand that withholding or giving incorrect information may make me ineligible for admission/participation to Nicholls State University. I allow the release of my transcripts, grades, and application materials from and to both institutions involved throughout the term of this agreement.

My signature below acknowledges that I understand all of the conditions as indicated above.

Student's Signature: _____ Date: _____

This form should be submitted to the Nicholls Office of Admissions by an Fletcher advisor.

For Official Use Only

Date Sent to Nicholls _____ Date Received _____

Appendix B: Cross-Enrollment Instructions

Before you Apply for Admission to Nicholls:

- Before applying to Nicholls State University for cross enrollment, you should check class availability by going to www.nicholls.edu/register and selecting *Class Schedule via Banner Self-Service*.
- Select *Class Schedule* from the list that appears. Using the drop-down menu, select the term for which you intend to enroll.
- Search for the course by first selecting a subject. For example, if you select the *Accounting* subject, you will see the accounting courses being offered for the term. Courses are listed in the following format: *Introduction to Financial Accounting - 80005 - Acct 205 - 2M*. Record the course name abbreviation, course number, section code, and course reference number (ACCT 205 2M 80005). You will need this information during later in the process.

Applying for Admission to Nicholls:

- Go to www.nicholls.edu/apply. Click *Apply Now*.
- Select the semester for which you are applying under *Cross Enrollment*. This will direct you to the *Create Account* page.
- Complete the *Create Account* section. Please provide an accurate email address. Click *Create Account*.
- You should receive an email. Please click on the link provided in the email to verify your account.
- Log into your account using the username and password you created.
- Answer all the required information on the application.
- List the class information for the course(s) that you wish to take at Nicholls (e.g., ACCT 205-2M-80005).
- Once the application is complete, click *Submit*.

Registration for Nicholls Courses

- To be registered for a Nicholls course, you must meet all course prerequisites. Eligibility for a course will be determined during application processing. Once eligibility is confirmed, you will be registered for the course by a Nicholls academic advisor. Notification of registration will be sent via email. You will also receive notification in the event the course is not available or if you are not eligible for the course. Please check your email frequently.
- It is your responsibility to follow-up and pay all applicable course fees to Nicholls by the posted fee deadlines. Fee deadlines are available online at www.nicholls.edu/calendar. Payments made after deadlines are subject to late charges.
- If you have questions or need assistance with course registration, please contact the Academic Advising Center at 985-448-4117 or Liz Folse at 985-448-4094 or email us at crossenrollment@nicholls.edu .

Appendix C: Fletcher General Education Courses

When selecting general education electives, students should select from the courses listed below. These courses are Fletcher general education courses that will also satisfy general education requirements at Nicholls. Fletcher courses not on this list, may not satisfy general education requirements at Nicholls.

English Composition

ENGL 1010/1000 English Composition I
ENGL 1020 English Composition II

Mathematics Electives

MATH 1213/1214 College Algebra
MATH 1223 Trigonometry
MATH 1103/1104 Contemporary Mathematics
MATH 2010 Applied Calculus
MATH 2100 Introductory Statistics

Natural Sciences

Biological Sciences

BIOL 1010 General Biology I
BIOL 1020 General Biology II
BIOL 1030 General Biology (Science Majors)
BIOL 1140 Human Anatomy and Physiology I
BIOL 1160 Human Anatomy and Physiology II

Physical Sciences

CHEM 1010 Chemistry I
GEOL 1010 Physical Geology
GEOL 1020 Historical Geology
PHSC 1000 Physical Science I
PHSC 1200 Physical Science II
PHSC 1400 Physical Science III

Literature Electives

ENGL 2010 British Literature I
ENGL 2020 British Literature II
ENGL 2110 Introduction to Fiction
ENGL 2120 Children's Literature
ENGL 2150 Introduction to Poetry and/or Drama
ENGL 2200 Major British Writers
ENGL 2210 Major American Writers
ENGL 2996 Special Topics in Literature†

History Electives

HIST 1010 Western Civilization I
HIST 1020 Western Civilization II
HIST 1500 World History I
HIST 1510 World History II
HIST 2010 American History I
HIST 2020 American History II

Humanities Electives

ENGL 2010 British Literature I
ENGL 2020 British Literature II

Humanities Electives (Continued)

ENGL 2110 Introduction to Fiction
ENGL 2120 Children's Literature
ENGL 2150 Introduction to Poetry and/or Drama
ENGL 2200 Major British Writers
ENGL 2210 Major American Writers
ENGL 2996 Special Topics in Literature*
HIST 1010 Western Civilization I
HIST 1020 Western Civilization II
HIST 1500 World History I
HIST 1510 World History II
HIST 2010 American History I
HIST 2020 American History II
PHIL 2030 Introduction to Philosophy
FREN 1010 Elementary French I (Skills course)*
SPAN 1010 Elementary Spanish I (Skills course)*
SPAN 1020 Elementary Spanish II (Skills course)*

Social Sciences Electives

ANTH 1600 Cultural Anthropology
CRJU 1010 Introduction to Criminal Justice
ECON 2010 Macroeconomics
ECON 2020 Microeconomics
GEOG 2010 World Regional Geography
GEOG 2020 Physical Geography
POLI 1100 Introduction to American Government
POLI 2500 Introduction to Comparative Government
POLI 2520 Introduction to State and Local Government
PSYC 2010 Introduction to Psychology
PSYC 2060 Child Psychology
PSYC 2120 Developmental Psychology
SOCI 2010 Introduction to Sociology
SOCI 2020 Social Problems

Fine Arts Electives

ARTS 1200 Introduction to Visual Arts
MUSC 1010 Music Appreciation
MUSC 2010 Introduction to Rock Music
MUSC 2020 Jazz Appreciation
THEA 1010 Introduction to Theater Appreciation

*A student may not take only Skills courses to complete the combined Fine Arts and Humanities requirements. One Fine Arts or Humanities course must not be a Skills course.

†ENGL 2996 *Special Topics in Literature: Introduction to Film* transfers as ENGL 240 which does not satisfy a general education literature requirement. However, the course may be used to meet either the general education Fine Arts or Humanities requirement. Degree applicability of other versions of ENGL 2996 should be discussed with an academic advisor.

Appendix D: Table of Equivalent Courses

All courses listed below transfer to Nicholls State University as either the indicated equivalent or elective credit. Fletcher courses that do not match any Nicholls courses are numbered as 1XX or 2XX. For example, if a student completes Fletcher's three-credit CRJU 2650 course, since Nicholls does not offer an equivalent course, the student will receive three credits for a CRJU elective course at the 200 level. This course is designated as CRJU 2XX. The determination as to whether elective courses or any specific courses not listed on the advising guide of a particular program will satisfy any requirement of the program is made by the department and the college of the major. Developmental (remedial) courses (†) are not considered college-level courses and will not apply to any degree program. Grades for all courses will be included in the official cumulative GPA. Students are strongly encouraged to seek the assistance of Fletcher or Nicholls advisors when selecting courses for transfer. Highlighted courses are no longer offered at Fletcher, but may still be degree applicable if completed prior to discontinuation.

Fletcher Course	Fletcher Course Title		Nicholls Equivalent	Nicholls Course Title
