COLLEGE™

Department of Nursing and Allied Health

Mission

The Division of Nursing and Allied Health is dedicated to the intellectual development of students by mentoring them through the learning process. This is accomplished by offering quality programs that facilitate the acquisition of the skills and qualifications necessary for employment, career advancement, and future learning in the profession of nursing and health care.

Vision

The Department of Nursing and Allied Health strives to be recognized by the community, business and industry, and other educational institutions as a diverse educational community of faculty and students who are focused on providing exceptional care to the needs of the citizens.

Core Values

The Department of Nursing and Allied Health supports the Core Values set forth by Fletcher Technical Community College. This graphic illustrates the shared values between the College and the Department of Nursing and Allied Health demonstrating congruence philosophically and programmatically. The faculty members of the PN program are committed to provide an environment to all students conducive to learning that will prepare them to enter the workforce and provide competent and caring nursing to meet the healthcare needs of the diverse community.
