REGISTRATION PROCEDURES

GRADUATING STUDENTS

Students graduating in the summer or fall semester should meet with their assigned advisors during the scheduled advising/registration period. Summer/fall advising and registration opens on April 10 for veterans and April 11 for all other continuing students. Graduating students should advise and register as soon as possible after registration opens to ensure being able to register for classes needed for graduation.

Students completing graduation requirements during the summer or fall semester should complete a graduation application through LoLA when applying to graduate from their declared major. Students applying to graduate from a program other than the declared major may obtain a graduation application from their advisor, from Student Services, or from the website. A separate application is to be completed for each program of study. Students completing a paper application should submit the application to their advisor. The priority application deadline to be able to participate in the fall commencement ceremony is November 17. Graduation candidates submitting an application after this date will be eligible to participate in the next semester's ceremony.

CONTINUING STUDENTS

A continuing student is a student who was enrolled during the Spring 2017 semester as documented by courses on the student's academic transcript. In order to register for the Summer 2017 or Fall 2017 semester, a continuing student must meet with his/her assigned advisor during the designated advising/registration period to receive an approved advising form for the semester. LoLA registration will open for military veterans on April 10 and for all other continuing students on April 11. Please refer to the registration/academic calendar located at the beginning of the bulletin for registration closure dates and tuition and fees payment deadlines.

RETURNING/RE-ADMITTED STUDENTS

A returning/re-admitted student is a student who previously attended Fletcher, but was not in attendance during the Spring 2017 semester as documented by courses on the student's academic transcript. Returning/re-admitted students must complete an application for admission. Applications are available on Fletcher's website at www.fletcher.edu. Returning/re-admitted students are emailed instructions on how to complete orientation and RSVP for an advising/registration date.

NEW/TRANSFER STUDENTS

New and transfer students must complete an application and be accepted to Fletcher (the application and admission requirements are available at www.fletcher.edu/admissions) before they will be eligible to register for classes. Students who have been accepted to the college are notified by email of their acceptance and the procedure to complete orientation and secure an advising/registration date and time. New and transfer students who are military veterans may contact the admissions office for information about supplemental documentation and special advising and registration sessions by emailing admissions@fletcher.edu.

Tuition and fees are paid at the home school. (Note: Financial aid, i.e., Pell, TOPS, etc., is applied only at the home school.)

Applicable fees, such as registration fees, lab fees, etc., are paid by the student to the host school. Please refer to the Tuition and Fees section of the bulletin for a list of fees that a host student must pay at Fletcher.

Students who were host students during the spring semester who wish to be cross enrolled again must resubmit the cross enrollment application. To secure schedules, registered students must have paid in full, established a payment plan through CASHNet, or have financial aid verified by payment deadlines. Making a partial payment does not secure a schedule and classes may be removed for nonpayment. Refer to the semester calendar for payment deadlines. FAFSAs must be completed, all required documentation must be received and verified, and financial aid awarded at Fletcher by the priority deadline dates published in the College Registration Bulletin (calendar section) each semester to qualify for a tuition deferment. Students whose FAFSAs and required documentation are not verified and who have not been awarded aid by the priority date will be required to pay in full at registration or initiate a payment plan through CASHNet. Instructions for online payments and payment plan details are located on the Tuition and Fees page of the Fletcher website.

PROVISIONAL ENROLLMENT

A student is not considered officially enrolled until tuition and fees are paid in full, a payment plan has been completed, or financial aid has been verified and all required admission documents have been received by Student Services. In cases where payment is made by payment plan, the student's registration shall be provisional until tuition and fees are paid in full from the plan. Fletcher reserves the right to remove a student from classes during the provisional enrollment in the event of an insufficient payment that is not settled with the school immediately.

PAYMENT OPTIONS

Student fee bills are not mailed. It is the student's responsibility to check his/her Banner account through LoLA for account balance information. To secure classes, all tuition and fees must be paid in full, financial aid must be verified, or enrollment in the payment plan through CASHNet must be completed by the dates established in the semester bulletin. NOTE: The business office does not accept credit/debit cards or checks. These methods of payment are available online.

FINANCIAL RESPONSIBILITY

By registering for classes at Fletcher Technical Community College, the student makes a financial commitment to pay the tuition and fee charges associated with that enrollment. Other charges the student may incur and is responsible for include but is not limited to testing fees, course fees, fines, bookstore charges, and returns to Title IV. **It is the student’s responsibility to monitor his/her LoLA account balance and any funding sources.** Invoices will not be mailed. If financial aid is not granted or if third-party sponsors do not pay within a reasonable time frame, the student will be required to pay the balance due.

Any debt owed to Fletcher as a result of the student’s failure to make required payments or failure to comply with the terms of the applicable program as governed by Fletcher Technical Community College Catalog and Student Handbook will result in a violation of the terms and conditions. Students with an outstanding balance will not be allowed to register for future semesters at any LCTCS college or receive academic transcripts or grades until the debt is paid in full. Failure to respond to demands for payment made by Fletcher Technical Community College may result in such debts being transferred to the State of Louisiana Attorney General’s Office or other outside collection agency for collection. Upon transmittal for collection, the student is responsible for collection/attorney’s fees in the amount of thirty-three and one-third percent (33 1/3%) of the unpaid debt and all court costs.

REFUNDS/FINANCIAL AID DISBURSEMENT THROUGH BANKMOBILE

All refunds and financial aid are disbursed electronically through a third party company, BankMobile Disbursements. Each new student receives a refund selection kit via mail about 14 days after registering for classes. It is recommended that students choose their refund preference when they receive the kit so refunds are not delayed. Students should verify that their address is correct in their LoLA account. Students will be given the option to have financial aid and refunds disbursed via the BankMobile Vibe account, or an electronic transfer (ACH) to an existing bank account. The first card and sign up is free. Replacement Vibe account cards are \$10 and this is assessed by BankMobile. To order a replacement card that is activated, log on to your account at www.bankmobilevibe.com or call BankMobile customer service at 1-877-327-9515. If you do not receive a refund selection kit or need a personal code, go to the cashier window at Fletcher's business office located at the Schriever Campus.

All refunds/credits due to a student shall be applied to any outstanding balances due to Fletcher, and any remaining credit balance will be paid to the student through BankMobile. Refunds for tuition are processed by the Business Office after the 14th semester day for the fall and spring semesters and after the 7th semester day for the summer semester.

If tuition and fees are deferred to financial aid and the student withdraws, the financial aid payment will be applied to the account balance with the surplus returned to the student. Any fees not covered by financial aid are the student's responsibility. Any student with an outstanding balance will not have access to enrollment at any LCTCS College or student records until his/her account is cleared.

The refund policy also applies to online courses.

SCHEDULE ADJUSTMENT REFUNDS

If Fletcher cancels a class for any reason, students enrolled in the class will receive full credit for the cancelled class. Students who reduce their credit hours or officially withdraw from the College prior to the first day of the semester through the drop/add period, which is through the 2nd instructional day for the summer semester and the 3rd instructional day for the fall and spring semesters, will receive 100% credit of tuition and fees for the dropped classes. FINANCIAL AID

Financial aid policies and procedures are governed by federal, state, and institutional regulations. Students are responsible for submitting applications and documentation in a timely manner. Applications will be processed in the order in which required documentation is received. Confidentiality of information submitted to the Financial Aid Office is protected by law. Student eligibility is considered on a case-by-case basis, and a concerted effort is made to maximize and individualize assistance for each individual applicant. If any student would like additional information, they can visit our website at www.fletcher.edu and click Financial Aid. Listed below is information concerning Title IV aid and the Taylor Opportunity Program for Students (TOPS).

HOW TO APPLY FOR FEDERAL STUDENT AID

To apply, you must complete a Free Application for Federal Student Aid (FAFSA) online at www.fafsa.ed.gov. (Note: The FAFSA must be renewed annually.) This application goes to a Federal Processor, and if you want our school to receive it, you must enter our school code on the application: 013580.

Once your FAFSA is received by the U.S. Department of Education, a standard formula is used to evaluate your reported information. The standard formula then produces an Expected Family Contribution (EFC) number. The Financial Aid Office uses the EFC to determine aid eligibility. The amount of money you will receive depends not only on your EFC but also on your enrollment status.

Once a FAFSA has been received, students will be e-mailed information concerning financial aid. If your financial aid is approved and awarded, you may receive a tuition and fee deferment. If your financial aid is not approved by the published priority deadline*, you may be expected to set up payment arrangements with the Business Office. Bookstore privileges may be available if your financial aid has been awarded. If you have not received notification of your financial aid award, you should contact the Financial Aid Office by e-mail at financialaid@fletcher.edu.
