

SEMIANNUAL SECURITY REPORT 2021/FALL

The Semiannual Security Report and new reporting requirements contains statistics covering April 2021 – September 2021. The crime statistics chart includes Clery Act data and information related to statistics of incidents of power-based violence (any form of interpersonal violence intended to control or intimidate another person through the assertion of power over the person). It includes but is more expansive than sexual misconduct and Title IX misconduct.

As a best practice in the Board of Regents (BOR) Uniform Policy on Power-Based Violence, crime statistics that appear in RED on the Semiannual Security Report are recommended to be reported as well.
