

Associate of Applied Science in Surgical Technology Curriculum Changes

Thank you for your interest in Fletcher’s AAS-Surgical Technology Program. We are excited to announce that we have received final approval for our updated program curriculum. While we are in the process of revising our admission guide, we would like to share with you some important information pertaining to the changes so you may plan your upcoming semesters accordingly.

Next Program Admission Date: Due to the numerous changes being made, we will not begin a new cohort until the **Summer 2022 semester**, with the application deadline being late Spring 2022.

The following courses should be completed, or in progress of completion, by the end of the Spring 2022 semester.

Course	Title
MATH 1214/1213 OR MATH 1104/1103	COLLEGE ALGEBRA OR CONTEMPORARY MATH
ENGL 1000/1010	ENGLISH COMPOSITION I
*BIOL 1140	A&P I
*BIOL 1150	A&P I LAB
PSYC 2010 OR PSYC 2120	INTRO TO PSYCHOLOGY OR DEVELOPMENTAL PSYCHOLOGY
*BIOL 1160	A&PII
*BIOL 1170	A&P II LAB
*BIOL 2030	MICROBIOLOGY FOR NURSING & ALLIED HEALTH
HESC 1110	MEDICAL TERMINOLOGY
APPROVED PRIMARY HUMANITIES	STUDENT’S CHOICE
HESC 1010	INTRODUCTION TO SURGICAL TECHNOLOGY

**All BIOL courses must be within 5 years of the program start date*

***Some courses, such as BIOL 1140, may have course prerequisites, specific placement test scores, or the option to take a placement test, prior to registering for the course. Please see the course description in the course catalog for further details.*

****A computer course is no longer a requirement, but extra points may be awarded towards the application process for those who have taken one within 5 years of the application date*

*****All prerequisite courses must be passed with a grade of “C” or greater. For courses with multiple attempts, the most recent semester grade will be used.*

*******Please note that HESC 1110/ Medical Terminology is an online course offering. Students taking this course will need access to resources.**
