## REGISTRATION PROCEDURES

### GRADUATING STUDENTS

Students graduating in the fall semester should meet with their assigned advisors during the scheduled advising/registration period. Summer and Fall advising and registration opens on April 6 for veterans and April 7 for all other continuing students. Graduating students should advise and register as soon as possible after registration opens to ensure being able to register for classes needed for graduation.

Students completing graduation requirements should complete a graduation application through LoLA when applying to graduate from their declared major. A student graduating from a program other than his/her declared program may complete a graduation application by submitting an electronic application through Fletcher's website. Students can find the electronic application by clicking the following link: <http://www.fletcher.edu/graduation-application/>

### CONTINUING STUDENTS

A continuing student is a student who was enrolled during the Spring 2020 semester as documented by courses on the student's academic transcript. LoLA registration April 6 for veterans and April 7 for all other continuing students. Returning/Re-admitted Students.

A returning/re-admitted student is a student who previously attended Fletcher but was not in attendance during the Spring 2020 semester as documented by courses on the student's academic transcript. Returning/re-admitted students must complete an application for admission. Applications are available on Fletcher's website at [www.fletcher.edu](http://www.fletcher.edu). Returning/re-admitted students are emailed instructions on how to complete orientation and RSVP for an advising/registration date.

### NEW STUDENTS/TRANSFER STUDENTS

New and transfer students must complete an application and be accepted to Fletcher (the application and admission requirements are available at [www.fletcher.edu/apply](http://www.fletcher.edu/apply)) before they will be eligible to register for classes. Students who have been accepted to the college are notified by email of their acceptance and the procedure to complete orientation and secure an advising/registration date and time. New and transfer students who are military veterans may contact the admissions office for information about supplemental documentation and special advising and registration sessions by emailing [admissions@fletcher.edu](mailto:admissions@fletcher.edu).

### CROSS ENROLLED STUDENTS

Students at Fletcher and Nicholls may cross enroll to take classes that are not offered at the student's home school. The home school is the school at which the student enrolls in the majority of his/her credit hours. For example: For a student enrolled in 9 credit hours at Fletcher and 6 credit hours at Nicholls, Fletcher is the home school and Nicholls is the host school. Tuition and fees are paid at the home school. (Note: Financial aid, i.e., Pell, TOPS, etc., is applied only at the home school.) Applicable fees, such as registration fees, lab fees, etc., are paid by the student to the host school. Please refer to the Tuition and Fees section of the bulletin for a list of fees that a host student must pay at Fletcher.

Students who were host students during the fall semester who wish to be cross enrolled again must resubmit the cross enrollment application. Students who were host students for the fall semester who wish to enroll with Fletcher as the home school, must submit a regular admission application to be admitted to Fletcher as a home student.

### FEE POLICY (SUBJECT TO CHANGE)

To secure schedules, registered students must have paid in full, established a payment plan through CASHNet, or have financial aid verified by payment deadlines. Making a partial payment does not secure a schedule and classes may be removed for nonpayment. Refer to the semester calendar for payment deadlines. FAFSAs must be completed, all required documentation must be received and verified, and financial aid authorized at Fletcher by the priority deadline dates published in the College Registration Bulletin (calendar section) each semester to qualify for a tuition deferment. Students whose FAFSAs and required documentation are not verified and who have not been awarded aid by the priority date will be required to pay in full at registration or initiate a payment plan through CASHNet. Instructions for online payments and payment plan details are located on the Tuition and Fees page of the Fletcher website.

### PROVISIONAL ENROLLMENT

A student is not considered officially enrolled until tuition and fees are paid in full, a payment plan has been completed, or financial aid has been verified and all required admission documents have been received by Enrollment Services. In cases where payment is made by payment plan, the student’s registration shall be provisional until tuition and fees are paid in full from the plan. Fletcher reserves the right to remove a student from classes during the provisional enrollment in the event of an insufficient payment that is not settled with the school immediately.

## PAYMENT OPTIONS

Other charges the student may incur and is responsible for include but is not limited to testing fees, course fees, fines, bookstore charges, and returns to Title IV. It is the student’s responsibility to monitor his/her LoLA account balance and any funding sources. Invoices will not be mailed. If financial aid is not granted or if third-party sponsors do not pay within a reasonable time frame, the student will be required to pay the balance due. Any debt owed to Fletcher as a result of the student’s failure to make required payments or failure to comply with the terms of the applicable program as governed by Fletcher Technical Community College Catalog and Student Handbook will result in a violation of the terms and conditions. Students with an outstanding balance will not be allowed to register for future semesters at any LCTCS college or receive academic transcripts or grades until the debt is paid in full. ### REFUNDS/FINANCIAL AID DISBURSEMENT THROUGH BANKMOBILE

All refunds and financial aid are disbursed electronically through a third-party company, BankMobile Disbursements. Each new student receives a refund selection kit via mail or email about 14 days after registering for classes. Students should verify that their mailing address, phone number, and email address are correct in their LoLA account. Students will be given the option to have financial aid and refunds disbursed via the BankMobile Vibe account, or an electronic transfer (ACH) to an existing bank account. The first card and sign up is free. Replacement Vibe account cards are \$10 and this is assessed by BankMobile. To order a replacement card that is activated, log on to your account at [www.bankmobilevibe.com](http://www.bankmobilevibe.com) or call BankMobile customer service at 1-877-327-9515. ## FINANCIAL AID

The Financial Aid Office is located within Enrollment Services. Financial aid policies and procedures are governed by federal, state, and institutional regulations. Students are responsible for submitting applications and documentation in a timely manner. Applications will be processed in the order in which required documentation is received. Confidentiality of information submitted to the Financial Aid Office is protected by law. Student eligibility is considered on a case-by-case basis, and a concerted effort is made to maximize and individualize assistance for each individual applicant. If any student would like additional information, they can visit our website at [www.fletcher.edu](http://www.fletcher.edu) and click Financial Aid. Listed below is information concerning Title IV aid and the Taylor Opportunity Program for Students (TOPS).

### HOW TO APPLY FOR FEDERAL STUDENT AID

To apply, you must complete a Free Application for Federal Student Aid (FAFSA) online at [www.fafsa.ed.gov](http://www.fafsa.ed.gov). (Note: The FAFSA must be renewed annually.)

This application goes to a Federal Processor, and if you want our school to receive it, you must enter our school code on the application: 013580.

Once your FAFSA is received by the U.S. Department of Education, a standard formula is used to evaluate your reported information. The standard formula then produces an Expected Family Contribution (EFC) number. The Financial Aid Office uses the EFC to determine aid eligibility. The amount of money you will receive depends not only on your EFC but also on your enrollment status.

Once a FAFSA has been received, students will be e-mailed information concerning financial aid. If your financial aid is approved and awarded, you may receive a tuition and fee deferment. If your financial aid is not approved by the published priority deadline\*, you may be expected to set up payment arrangements with the Business Office. Bookstore privileges may be available if your financial aid has been awarded. If you have not received notification of your financial aid award, you should contact the Financial Aid Office by email at [financialaid@fletcher.edu](mailto:financialaid@fletcher.edu).
