Policy # 1.504

Incomplete Work Policy

Authority:	Registrar's Office	Effective Date:	5/20/2015
	Academic Affairs	Last Revision:	5/20/2015

PURPOSE:

The purpose of this policy is to communicate the conditions that exist regarding incomplete coursework.

POLICY STATEMENT:

A student may receive a grade of "I" in a course if the student's current average is a C or higher at the point of determination, based on completed coursework when documented extenuating circumstances cause the student to be unable to complete the required work.

The student is responsible for making up all unfinished work from the Fall semester by the withdrawal date of the Spring semester and for making up all unfinished work from the Spring semester and the Summer semester by the withdrawal date of the Fall semester.

Students should be aware that an "I" grade has financial aid implications and that they should complete the course work as soon as possible. In cases where the course in which they received an "I" is a prerequisite for another course, students may not register for the second course until they convert the "I" into a grade of "C" or above. If all work is not completed satisfactorily by the designated date, the "I" will be changed to an "F."

Distribution: Distributed via College Catalog.
