Crisis Leave Program Policy

Authority: Executive Cabinet
Civil Service Commission

Effective Date: 04/07/2021
Last Revision: Initial

PURPOSE:

The Crisis Leave Program is a way of providing paid leave to an eligible employee who cannot work due to a crisis situation and who does not have leave to cover an absence needed for a crisis situation as per Civil Service Rule 11.34. The intent of the program is to assist an employee who has insufficient paid leave to cover the crisis leave period.

POLICY:

Crisis Leave Terms

Within the context of crisis leave, terms have the meanings indicated below:

1. Eligible employee is a full-time, permanent employee who is serving in a leave earning, benefit-eligible position of Fletcher Technical Community College. A classified employee must have attained permanent status to donate or use crisis leave.
2. Licensed Medical Service Provider (LMSP) is a practitioner, as defined in the Louisiana State Licensing Law (relative to that LMSP’s field of service), who is practicing within the scope of his or her license. This includes licensed physicians (a doctor of medicine) or M.D., doctor of osteopathy or D.O., or licensed chiropractor, counselor, or therapist as recognized and licensed by appropriate state boards or authorities.
3. Catastrophic Injury or Illness is a severe condition or combination of conditions that:
   a. affects the physical or mental health of the eligible employee;
   b. requires the services of a licensed medical service provider for a prolonged period of time – at least a minimum of 10 working days; and
   c. prevents the employee from performing his/her duties for a period of more than ten consecutive days and forces the employee to exhaust all appropriate leave described in other parts of this policy.
4. Crisis Leave Pool is a pool of donated annual leave that is managed on an hour for hour basis, regardless of the giving or receiving employee’s rate of pay.
5. Leave Pool Manager is the Director of Human Resources or his/her designee.
6. **Leave Pool Committee** is a committee comprised of two staff members appointed by the Chancellor plus the Leave Pool Manager or designee. The Committee acts to support the administration of the Crisis Leave Program, review the pool and program management practices by the Leave Pool Manager. When not otherwise specified in written policy, the committee may recommend operational guidelines and procedures for the Crisis Leave Program.

**Eligibility Requirements**

An employee is not required to contribute to the Crisis Leave Pool to be eligible to receive crisis leave. An eligible employee may apply to receive crisis leave if the following requirements are met:

1. the employee suffers from a catastrophic illness or injury;
2. the employee has exhausted all appropriate leave in accordance with this policy;
3. the catastrophic injury or illness is not occupationally related (therefore making the employee eligible for workers’ compensation) or was not attained in the commission of an assault or felony; and
4. the appropriate documentation from a LMSP is provided to the Leave Pool Manager.

**Amount of Crisis Leave that May Be Approved**

The amount of crisis leave granted for each catastrophic illness or injury is determined by the Leave Pool Manager. The amount of leave granted to an employee will generally reflect the recommendations of the LMSP, subject to the following limits:

- A maximum of 240 hours may be granted to an eligible employee during one calendar year.
- Crisis leave may not be granted to any individual to extend paid leave status beyond a total time in leave status of 12 weeks
- The total amount of leave granted will not exceed the balance of hours in the leave pool at the time of the employee’s request.
- The employee will not accrue leave while using crisis leave.

**Donation Procedures**

Contributions to the Crisis Leave Pool are strictly voluntary; no employee shall be coerced or pressured to donate leave. An employee donating to the pool may not designate a particular employee to receive donated time. The donor must complete a *Crisis Leave Donor Application* form and submit it to Human Resources who forwards the form to the Leave Pool Manager. Donations are accumulated in the pool and awarded on a first-come, first-served basis to eligible employees. Donations are restricted as follows:

- An employee may donate a minimum of four hours of annual leave; donations must be made in whole hour increments.
- The donor must have a balance of at least 120 hours of annual leave remaining after the contribution.
- Donations are limited to a maximum of 240 hours of annual leave per employee per calendar year.
• Leave will not be restored or returned to the donor once the leave has been transferred to the pool.

Request Procedures

An employee may request leave from the Crisis Leave Pool by completing a Crisis Leave Request form. The request must be submitted to the Leave Pool Manager with a copy of the employee’s Certification of Health Care Provider for Employee’s Serious Health Condition (FMLA form). The Leave Pool Manager is to review the request to make sure that the employee is eligible to receive crisis leave. The employee requesting crisis leave must provide all requested information necessary for the Leave Pool Manager to make a final determination of eligibility.

Confidentiality of Requests

All requests for crisis leave will be treated as confidential. All requests and documentation for crisis leave are to be submitted in envelopes marked “confidential” to the Leave Pool Manager.

Adjudication of Requests

Each request will be stamped with date and time received by the Leave Pool Manager, and handled on a first-come, first-served basis. When possible, a request is to be submitted at least 10 days before the crisis leave is needed. The Leave Pool Manager is allowed five working days from the date a request is received (with all required documentation) to approve all or part of the request, or deny the request, and communicate such approval or denial to the employee.

If the request is approved, the Leave Pool Manager will credit the approved time to the employee’s leave record.

If the request is made by an employee under the direct supervision of the Leave Pool Manager, the Leave Pool Manager may refer the request to the Leave Pool Committee to approve or reject. Also, if the Leave Pool Manager has difficulty making a determination, the Leave Pool Manager may consult with or refer the decision to the Leave Pool Committee.

Use of Crisis Leave

The maximum monetary value of the crisis leave granted shall be seventy-five (75%) percent of the employee’s base pay customarily received in a regularly scheduled workweek. This will be documented in accordance with the same procedures as regular paid leave taken by the employee.

Changes in Status Affecting Crisis Leave

Crisis leave may be used only for the circumstances for which it was requested. If any change occurs in the nature or severity of an illness or injury, or of any other factor on which the approval was based, the employee must provide documentation describing the change to the Leave Pool Manager. The employee may request additional crisis leave subject to the limits outlined above. Extensions of crisis leave are not automatic. Each request for extension will be addressed on a first-come, first served basis.
Use of leave from the Crisis Leave Pool for reasons other than those stipulated and approved by the Leave Pool Manager and/or failure to abide by procedures and requirements outlined in this policy may constitute payroll fraud and will be addressed accordingly.

Employees who are able to return to work before using all crisis leave granted must return the unused crisis leave to the Crisis Leave Pool.

**Compensation and Benefits**

Crisis leave will be awarded hour for hour, regardless of the giving or receiving employee’s rate of pay.

An employee in crisis leave status will continue to receive his/her benefits as appropriate. However, an employee on crisis leave will not accrue paid annual or sick leave. This also applies to classified employees per Civil Service Rule 11.5(a).

**Financial Impact**

1. The cost of the donated annual leave period will be charged to the appropriate college department.
2. Human Resources will maintain records on donated annual leave donated and used on hour for hour basis.

**Appeals**

The decision to approve or deny crisis leave by the Leave Pool Manager is final and not subject to appeal.
