

## FLETCHER TECHNICAL COMMUNITY COLLEGE

### Power Lineman/ Line Worker Adjunct Instructor

The Corporate College Power Lineman Instructor is responsible for providing classroom instruction and practical shop experience to prepare students for employment in a variety of jobs in the field of Power Lineman (apprentice lineman to Journeyman Lineman). Instructors are charged with preparing students wire in energized and de-energized circuits.

The duties of the Power Lineman Instructor include, but are not limited to:

- Ability to climb wood and steel structures up to 95 feet in height
- Ability to effectively train others in a classroom and field environment
- Knowledge applicable regulations applying to electrical linework such as OSHA, NCCER, and ability to research new/current regulations
- Ability to communicate verbally in a professional manner with colleagues, students, potential students, and alumni.
- Basic computer experience
- Maintaining office hours for student consultations.
- Preparing and providing course syllabi and instructional materials to students.
- Evaluating and reviewing students' progress in attaining goals and objectives.
- Keeping appropriate records of testing and grading, as per college standards.
- Utilizing technology to access data, maintain records, generate reports, communicate with others and facilitate learning.
- Maintaining student discipline through effective classroom management.
- Attaining, maintaining and reviewing program certification requirements, as appropriate.
- Fulfilling professional assignments in accordance with the Fletcher Technical Community College calendar and contractual obligations.
- Partner with Business and Industry to promote Power Lineman program.

**Qualifications:** High School Diploma. Completed a Journeyman Level Power Lineman Technician program, certificate program, or On-The-Job training program. NCCER Core certification within the first 90 days. OSHA Certification within the first 90 days. Five years of experience as a Power Lineman Technician

**Preferred Qualifications:** Certifications with 5 years of experience

**Reports To:** Vice Chancellor for External Relations and Workforce Innovation

[About Us](#) (Click here to learn about Fletcher)

The Schriever, Houma, Thibodaux community is famous for its Cajun food and music, charter boat fishing, swamps, and dance halls. Also, it is well known for its birding trails, an exotic wildlife park, museums, Mardi Gras celebrations, medical facilities and more. The area is designated a retirement community and offers diversity and a rich culture. Residents take

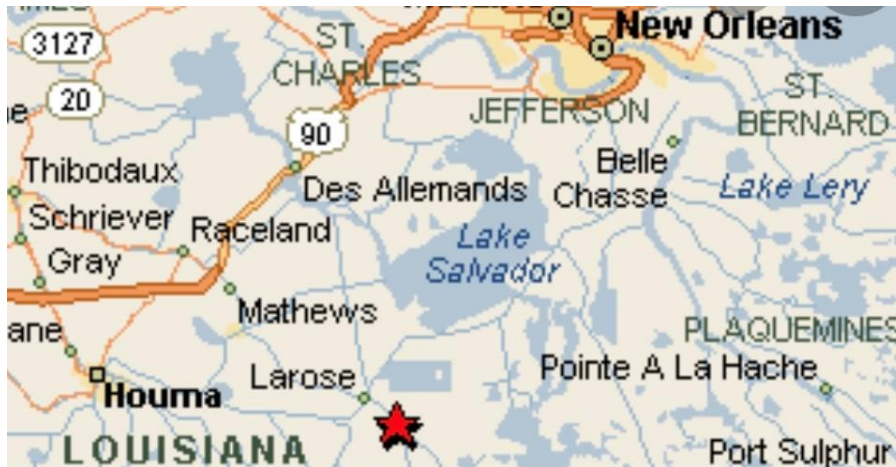

pride in their properties and that curb appeal adds to the richness of the community.

**Fletcher Technical Community College is an Equal Opportunity Employer** in compliance with Title VI of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, and Section 504 of the Rehabilitation Act of 1973, this Educational Agency upholds the following policy: Fletcher Technical Community College campuses assure equal opportunity for all qualified persons without regard to race, color, national origin, gender, gender identity, age, religion, qualified disability, marital status, veteran's status, political affiliation, sex or sexual orientation in its hiring or employment practices or in admission to its programs, services, or activities, in access to them, in treatment of individuals, or in any aspect of its operations. Each campus welcomes handicapped individuals and has made buildings accessible to them. Faculty and staff demonstrate success in working with diverse populations and demonstrate experience in a variety of teaching methods.
