

From the office of the CHANCELLOR

October 7, 2021

Dear Fletcher Student:

After a thorough review of the United States Department of Education's (USDOE) eligibility criteria and your records at Fletcher Technical Community College, you are eligible to receive a Higher Education Emergency Relief Fund (HEERF III) grant. This grant does not have to be repaid.

All Fletcher students who are determined eligible will receive a one-time grant in the amount of \$796. Based on several factors, grant amounts will vary by college, so family or friends who attend a different college may receive a different amount than you.

Students will receive their grants through their Bank Mobile account. Disbursement of grant funds will begin on 10/8/21 and should be completed by 10/15/21.

If you have questions, please contact us at 985-448-7900.

Please stay safe, and we look forward to continuing to be your higher education institution of choice.

Sincerely,
Kristine Strickland, PhD
